## Do Justice and Love Kindness

*Think about ways you can do justice and love kindness by serving others.*

### You will need:

- † Whiteboard or mural paper
- † Paper
- † Scissors
- † Black marker
- † Crayons
- † Glue sticks

### Preparation:

1. Cut several pieces of paper into strips (8 1/2" inches wide by 3 inches long).

### Instructions:

1. **In Micah 6:8, we are commanded to “do justice and love kindness.” This means that God wants us to love other people and help them when they need it.**
2. Give each participant a couple strips of paper. **One way that we can show love to other people is by helping them. Who are some people who need our help the**

**most?** *[Answers will vary, but may include: people who are homeless, hungry, refugees, lonely, elderly, sick, those hit by natural disasters.]*

3. **What are some ways we can help people? Let's make a list.**
4. Take ideas from participants and write them down on the whiteboard or paper. Answers may include sharing food or toys, giving a hug to someone, helping them with a project or task, donating money or supplies, etc.
5. **What a great list! Now, we are going to take this list and use it to make a reminder of how we can love and help other people.**
6. For younger participants, write each of the acts of service on a slip of paper using a marker. Give them the slips of paper to color. For older participants, you may wish to have them write the ideas on the slips of paper themselves.
7. Create a paper chain using the glue and strips of paper. Hang it in a visible place, so that it can be a reminder to “do justice and love kindness.”
