

## Lesson #1-2

# *God Calls Abram*

Genesis 12:1-9

### **Key Verse:**

“I will make of you a great nation, and I will bless you, and make your name great, so that all you will be a blessing.”  
Genesis 12:2

### **The Point:**

Trusting in God's promises allows us to be a blessing to others.

### **Unit Theme (September 9 - October 7):**

God's Promises Bring Hope

## *Blessed to Be a Blessing*

*Invite participants to bless each other.*

Have participants stand in a blessing circle, so they can be blessed and bless another person. (Optional: pass a small bowl of oil around the circle for anointing.)

**Today as we close we will bless someone else and receive a blessing ourselves. Make the sign of the cross on your neighbor's hand or forehead, with their permission, and remind them, “You are blessed to be a blessing.”**
