Unit Theme (April 29—May 20):

Living Faithfully in the Promise

At Home

In each Living the Word: Small Groups guide, we include three challenges for participants to do throughout the week, extending their experience with the story.

- ✝ Reread Joshua 24:1-13. Write down the Bible stories you are least familiar with. Take some time each day to look up and read one of the stories.
- ✝ Part of today's lesson is about passing on the stories of faith. If you have children or young relatives (such as nieces or nephews) set up a time to visit with them and share a story of faith, either from the Bible or from your life. If you do not have young relatives, consider volunteering at your church to help out with the younger members.
- ✝ When you first wake up each day, start a list of something you are thankful for. Keep adding to your list throughout the day, then, before bed, say a prayer of thanksgiving for everything on your list!
