

Dear Visitor:

Thank you for considering our *Living the Word* (Narrative Lectionary and Revised Common Lectionary) faith formation resources for your congregation! Out of our ten *Living the Word* products, seven have variable pricing based upon the average number of participants you anticipate will be using the product. Our purpose for this is to make our products financially accessible to smaller congregations at pricing levels that we would not be able to sustain to continue producing these faith formation resources.

What's more, there are no additional leaflets to purchase (ever!) or licenses to renew, so once you purchase a product, there will be no future costs other than activity supplies! The Narrative Lectionary is a four-year cycle and the Revised Common Lectionary is a three-year cycle, so once you purchase a product, you can reuse it every four (or three) years, although an upgrade will be available at a lower price for those congregations who would like to update their previous purchase.

A few definitions would be helpful in reading our pricing tables below.

- **Attendance:** This is the estimated, average number of participants in the faith formation ministry in which the product will be used (e.g. Sunday school, youth group, confirmation program, Wednesday education hour, worship service). If you plan on using a product for only a portion of a ministry (e.g. one class or one worship service), you may use only the attendance for that portion.
- **Full Year:** Our product year runs from the Sunday after Labor Day (U.S.) through Pentecost Sunday, an approximately nine-month period.
- **Quarter:** We subdivide this “year” into quarters. The Fall quarter runs from the beginning of the year through Christ the King Sunday. The Winter quarter runs from the First Sunday of Advent through Transfiguration Sunday. The Spring quarter runs from the beginning of Lent through Pentecost Sunday. We do not currently produce Lectionary-based resources for the Summer quarter, though we have recently introduce a new series of five-week, topical units called *Learning Together* which can be used for intergenerational and children's faith formation in both classrooms and Vacation Bible School.
- **Other Divisions:** Since cross+generational (intergenerational) ministry is new to many congregations, we also offer single lessons for purchase in both our *Cross+Generational Worship (NL)* and *Cross+Generational Education (NL, RCL)* products. This allows you to try them for a period, once a month, etc. Our *Cross+Gen Worship* product is also available grouped as Advent/Christmas, Lent, and Church Festivals for your ease of ordering.
- **Special Orders:** We also are now offering the ability to make special orders of any combination of any of our products.

To receive a quotation for your special order or to ask any question you have, please contact me by email at G.Rawn@SpiritAndTruthPublishing.com or by phone at (262) 358-6574.

Sincerely,
