**Beautiful Prayer Lists**

*Creating gates as prayer lists.*

**Supplies:**

- › Craft sticks
- › Craft glue
- › Permanent markers
- › Optional: alternative materials

**Preparation:**

1. Optional: make a sample gate.
2. At home: if you cannot distribute craft sticks to all households, challenge participants to be creative and find materials they do have access to and use those.
3. Online/Phone: share photos; pray together on the phone or live video chat.

**Instructions:**

1. Instruct participants to place two craft sticks horizontally about an inch or so apart. Next, have them place 4-6 sticks vertically across

the two horizontal sticks with about a half-inch to an inch of each stick extending beyond the top and bottom sticks. The vertical sticks should be side-by-side without much gap. This creates a gate or fence.

2. Before gluing the fence, use permanent markers to write the names of those they will pray for on each of the vertical sticks. When finished, each stick should have a different person's name, organization, or location on it.
3. Place glue onto the horizontal sticks, and then carefully press the vertical sticks onto them. Place the gates in a safe place to dry.
4. Challenge participants to put these beautiful prayer lists somewhere that they will see them and remember to use them to pray for those on the list throughout the week.
