

Living the Word: God's Word @ Home

(Revised Common Lectionary)

Dear Families,

Greetings from Spirit & Truth Publishing! I hope you are excited for a new year of living in God's Word with your congregation! This might be a different type of faith formation (Sunday school) curriculum than you are used to. In response to the COVID-19 pandemic, many congregations cannot safely meet in person for a little while. That's why we have created this product called *Living the Word: God's Word @ Home (Revised Common Lectionary)*. These lessons are designed to be used by you, at your home.

Like the rest of our products, these lessons are digital and downloadable, using the common PDF file format. So, your church faith formation leader may email the lessons to your or send them to you in another way.

Each lesson has four parts.

1. **Overview**— The lesson starts with a page that gives you a quick overview of what's covered in the lesson. The second page is a brief table of contents, showing the four activities in that lesson with a list of supplies for each activity.
2. **Activities**— In all, each lesson has four possible activities. The first is an introductory activity to get your family ready for the Bible story. Second is a fun exploration of the Bible passage itself. This is followed with two additional activities to learn more and have fun. Choose whichever and how many activities that works for your family.
3. **Prayer**— This one is pretty self-explanatory. The lesson itself ends with a wrap-up prayer. Use this or pray your own way.
4. **The Word @ Home**— Each lesson ends with a page that includes a set of daily Bible readings, a prayer, and a blessing to help you with simple family devotions during the week.

It is my hope that your family will learn about Scripture and grow closer both to God and each other during this time. May you experience God's great love and peace!

Sincerely,

Gregory Rawn
