Building Blocks Story Time

Explore the story through building blocks.

You will need:

- † Bibles
- † Various building blocks
- † Miniature figures
- † Optional: video recorder

Instructions:

1. Start the conversation by discussing family members' experiences with building blocks (interlocking or not) and other similar things.
2. **Here we have some building blocks. What are some things you have made from building blocks and miniature figures?**
[Answers will vary.] Sometimes when you buy a

new building block set it comes with instructions. Well, today, we are going to use our Bibles as our instructions. We will build a set and use the miniature figures to act out the story from Luke 7:1-10 and then the story from Luke 7:11-17.

3. Read each passage aloud when you are ready to build each set.
4. Work together and be creative in using what you have to retell this story.
5. Once the family is done building, use what you have to retell the stories together. If you have a video recorder, you can record and share the video as you wish.
