Responding to God's Love

LOVING OTHERS SKITS

Share how we love others.

You will need:

† Nothing

Instructions:

1. Divide the larger group into pairs.
2. **In today's story, we heard God instruct us to love other people. One way that we love other people is by serving them.**
3. **What are some ways that we might serve people?** Accept all answers.
4. **There are many ways that we can serve people. With your partner, think of one special way that you might**
5. **follow God's commandments and love another person through service. Create a skit that demonstrates your idea.**
5. Encourage pairs to create skits. Give participants about ten minutes to work. If needed, help partners think about how they can love others through service.
6. After time is up, invite the large group to come together. Invite partners to share their skits.
7. **Great job, everyone! We all can love others by living lives of service.**
