2. **We also care about others, but sometimes we do not know what to pray for them. We could pray for people's health, physical and**
3. **mental, for good things to happen to them, for situations to be resolved, for them to know God's love, and much more.**
3. **Go through the magazines (or other photos) and cut out pictures of things that you would pray for others. For example, you might cut out a picture of a nurse, either to pray for health care workers or for people who are sick to get better, or both! Glue these pictures to your paper to make your collage prayer!**
4. Allow time to work.
