Praying with Light

Use lights to pray to God.

You will need:

- † Battery-operated light sources or glow sticks

Instructions:

1. Set up a place for students to sit comfortably in a circle with candles or lights in the center. Once students are sitting quietly, turn off the main lights and light the candles (or turn on the lights).
2. **God is the one who brings every good thing into our world. We are going to take some time to pray to God and thank God. We will**
3. You may go around in a circle one or more times, or have students call out their "light" in a random order.
4. You may also incorporate a time of prayer in which students name places of darkness, fear, sickness, or anger and respond with, "Mighty God, bring light to this dark place!"
