

# Partial Attendance License Request

If approved, this Partial Attendance License Request gives (Congregation name) \_\_\_\_\_ permission to use the (select one):

- Living the Word: Teaching Kids God's Story* curriculum
- Spirit and Truth: Teaching Kids the Heart of Worship* curriculum

for a limited portion of their elementary-age Christian education program. This limited portion can be a single class, a separate program (e.g. a Wednesday evening education program), or other special group. Use for only one age range (PreK-2nd or 3rd-5th/6th) does not qualify for Partial Attendance.

Acceptance by the publisher of this Partial Attendance License (PAL) Request entitles the congregation above to only use the attendance of the limited portion of the Christian education program in which the curriculum will be used for pricing purposes.

**Example:** A congregation with 100 students attending Sunday school would like to purchase the *Living the Word* curriculum for use only in their new after school program with attendance currently averaging 10 students. With a PAL, this congregation would pay using the 1-10 student pricing instead of the normal 91-100 student pricing.
